FOR IMMEDIATE RELEASE:

Screw Products, Inc. - Hires Industry Professional to Manage Regional Sales in the N. East.

Gig Harbor, WA August 12, 2011 – Screw Products, Inc. is delighted to welcome David Ondich based out of New Jersey, to the Professional Sales Team at SPI! Ondich will be acting as the NE Regional Sales Manager, whose main focus is to expand the SPI brand on the East Coast of the United States. David has twenty-five years experience in the building supply industry and is a proud member of *NADRA, The North American Deck & Railing Association and *NARI, The National Association of Remolding Industry.

Ondich, while not working hard for his customers, is a family man who enjoys coaching Little League Baseball, spending time with his beautiful wife, children and grandchildren. David is an active member of The Deck for a Soldier Project* and has helped complete builds in New Jersey and Pennsylvania. The D4S Project is close to the heart of the crew members of SPI, as they have completed a build in Washington. Screw Products, Inc. is happy to have found an industry professional with the same dedication to Community, Customer Service (*second to none*), Quality Products and Prompt Service!

Ondich has noted, "I have finally found a company that firmly believes in quality and offers the best customer service in the industry." He also states, "I am ecstatic to work for a company representing a product I believe in! There is not a better screw on the market! – Everybody needs screws!"

To set up an appointment with David please contact: 973-713-2770 or david@screw-products.com.
