FHD Reamer Tek Star Drive Wood To Steel Screws

The Ultimate Wood To Steel Screws!

Star Drive Recess

- Reduces camout and end load
- Twice the torque of Phillips or square drive
- Eliminates spinning and fastener damage
- Gives better bit life

FREE BITS Included!

White Zinc Coated

Self-Drilling Point

- #3 or #4 points

Reamer Wings

- Drill through wood
- Automatically snap off when they encounter steel or aluminum

Shank Slot

- Holds steel shavings from the screw's drill action and prevents them from interfering with the screw threads as they tap into steel

Designed For

- Any wood to steel application up to 1/4" thick steel with no pre drilling

Ideal For:

- Truck beds, Trailer decks / beds, Horse trailers, Snowmobile trailers, 4 wheeler trailers and more!
