### **Screw Products, Inc C-Deck Composite Deck Screw- Approved Fastener for Trex ® Transcends and Enhance lines !**

---

Gig Harbor, WA – Screw Products, Inc. is delighted to announce that after intense testing, our C-Deck Composite Deck screw is an approved fastener for Trex ® Transcends and Enhance lines!

Our C-deck works great in the ANY composite, PVC or wood, hard or soft! Stocked in 17 colors to match most decking colors! #10x 2-3/4” offered in 305 Stainless Steel and is pressure treated lumber compatible.

#### ***BONUS – Every Container includes a Free Star Drive bit!***

If you are tired of mushrooming, splitting, snapping and all those other common issues with normal decking screws – Switch to Screw Products, Inc! Our advanced line of C-Deck screws offers:

- Reverse thread to eliminate composite mushrooming
- Treated lumber compatible – 1000 plus hours of salt spray testing
- Extra sharp quick self starting point
- Smooth, flush, countersunk finish does not produce secondary lumps around the head
- 305 Stainless and Coated options available
- 17 stocking colors to match most all decking
  - Color cross reference chart available
- For use in ALL decking applications including wood, PVC and composite.
